

Donation for the Site.

The site has been set up by the costs coming directly from the admins. At present this is just a beginning.

A small fund-raising site was set up and a small amount raised to support initial expansion and running costs for 2 years.

However, we do need to maintain a modest amount of money to continue our work.

Any donations will be much appreciated so we can continue with the work we do and for you all to continue to enjoy your experiences on the site.

To donate through Pay Pal Log in to your account and use historybdeod@gmail.com

Your assistance will ensure our future.

Regards

Pete Markham
