

Those who served in Bomb Disposal EOD.

This section of the web site is split into, A to Z of Surnames and A t Z which will be removed once all the names are transferred to the Surname Sheets.

Each person that we have identified in these sections, will have their entry giving what details that we know about them and their service.

Some may be just number, rank name and unit others more in depth.

These are live documents that will be added to and edited as more information becomes available.

We have not included those who are still alive or serving.
